

# JOHNS BROOK LODGE

Welcome to the Adirondack Mountain Club! We hope that this information will answer any questions that you might have about your upcoming stay in Johns Brook Lodge. This letter is also designed to let you know what to expect: a cozy and convenient base camp in the central High Peaks Region, and what not to expect: showers, flush toilets, electricity and linens. Johns Brook Lodge is a **3.5-mile hike** from the Garden parking lot. The lodge accommodates 28 people in four rooms. Two of the rooms sleep 10 people and two of the rooms sleep 4 people. The four person family rooms have two twin bunk beds in each room. Pillows and wool blankets are provided. Guests must bring sheets or sleeping bags and towels. Propane is used for all cooking and lighting. There is a fireplace in the living room.

## **JBL CARETAKER SEASON:**

Caretaker service is available at JBL from Labor Day until late-June. During Caretaker season, a caretaker is available to provide trail information and oversee the lodge. There is no crew to serve meals, however the kitchen is available to guests to prepare the food that they pack in. The kitchen includes refrigerator space, pots, pans, dishes, and cutlery. The JBL kitchen is outfitted to prepare and serve 28 guests during full-service. Let your culinary imagination run wild, there is no need to limit yourself to freeze-dried food. Guests are expected to do their own dishes and clean up after themselves.

**Water** - Running water is available at JBL from mid-May until mid-October. From mid-October through mid-May there is no running water; during this time gathering water from the brook to boil will be a shared effort between guests, staff, and volunteers. Water needs to be filtered, chemically treated, or brought to a rolling boil for a minimum of 2 minutes (NYS Department of Health recommendation).

## **2017 GARDEN PARKING/SHUTTLE SCHEDULE**

Once again the Town of Keene will manage the Garden Parking Lot in Keene Valley in accordance with an Adopt a Resource Agreement with New York State Department of Conservation. The Town of Keene will also serve as operator of a public transportation system that will serve hikers and the general public.

This program was initiated in response to the illegal and unsafe parking that prevailed. The parking fees pay for attendants on weekends, maintenance and winter snowplowing of the Garden, Rooster Comb and Roaring Brook Parking Lots, portable toilets, information kiosks and donations of rescue equipment.

Commencing Friday, May 12<sup>th</sup>, a fee of \$1 0.00 American (Canadian @ \$13.00) per calendar day, 12:01 AM to midnight, will be assessed for parking at the Garden Lot. The daily fee will continue through the month of October. An attendant will be at the Garden Lot from 1:00 PM until 7:00 PM on Fridays and from 7:00 AM until 7:00 PM on Saturdays, Sundays and Holidays during this period. Town Employees and DEC Rangers will monitor the lot during the week.

The shuttle will operate from the Southwest corner of Marcy Field, off Route 73, when the Garden Parking Lot is full, beginning with two Holiday Weekends in May, from 7:00 AM to 7:00 PM, as follows:

Victoria Day Weekend	May 20 <sup>th</sup> , 21 <sup>st</sup> & 22 <sup>nd</sup>
Memorial Day Weekend	May 27 <sup>th</sup> , 28 <sup>th</sup> & 29 <sup>th</sup>

Shuttle operation will resume on Saturday, June 17<sup>th</sup>, operating on Saturdays, Sundays and Holidays. Sunday, October 15<sup>th</sup> will be the last day of operation. A fee of \$10.00 American (Canadian @ \$13.00) will be charged per person for a round trip. Thank you for your continued support in this project. We hope that reasonable management will ensure continued access to the High Peaks Wilderness.
