

Trail Number Conversion List

National Geographic has begun work on new editions of *Trails Illustrated Maps 745* and *746*, which they expect to release by summer 2017. Because the trail numbers of the current maps do *not* match those in the new *Western Trails* guide, the following is intended to supply the information necessary to use the new guide and existing maps together.

Trails Illustrated Map 745

Book # Map # Trail Name

1	1	Halfmoon Lake
2	2	Beach Mill Pond Trail
3	2A	Beach Mill Horse Trail
4	2B	Payne Lake Horse Trail
