

# Ididaride 2020 55 miles

The 15th Annual ididaride! Adirondack bike tour takes place on Sunday, July 26th in scenic North Creek, NY

This year ADK's scenic ididaride! highway route of many years moves a little deeper into the sights and sounds of our beautiful Adirondack countryside. Not far from the start, riders will be able to experience all the benefits of biking the roads less traveled through the villages of Pottersville, Adirondack, Brant Lake, Olmstedville, and of course, North Creek.

Ididaride's 2020 route mostly sheds the painted shoulders of NYS highways and utilizes sections of roads along Schroom Lake and Brant Lake that are described by cyclists as being among the most beautiful ever experienced! Total mileage has decreased to 55 miles, but there are still plenty of challenging hills!

The 23-mile Gravel Grinder will be available for the third year in a row. This has
