

WINTER CAMPING WILDERNESS CAMPGROUND

Important additional information to know about winter camping at the Heart Lake Wilderness Campground:

- ❖ We have a year-round heated wash house with toilets and showers.
- ❖ Canvas Cabin platforms are available in the winter. **No tent** is provided, guests must bring their own freestanding tent for the platform. Platforms are 14 feet x 16 feet (4.3 meters x 4.9 meters).
- ❖ **Snow removal** - the driveway is plowed and accessible by vehicle, campsites and platforms are not shoveled.

If you have any questions, please don't hesitate to call the front desk of the Loj at 518-523-3441 or email us at loj@adk.org.
